------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

WHY US?

Features	Benefits
Renowned Raw Material Suppliers (Reliance, Clariant, etc.)	High clarity and transparency
World class Machinery, Moulds and Infrastructure (ASB, Ferromatik, Steelmades, ACME)	Uniform product quality = Less Breakdowns & Rejections = Less production cost and saves time.
Packaging in stringent quality controlled conditions	No contamination
Laboratory for quality check	Further reduces chances of fault
